

D 410

DEHUMIDIFIER

PRODUCT DATA SHEET

Product range	dehumidifiers
Brand name	Qlima
Model	D 410
Colour	white
EAN code	8713508772936

TECHNICAL SPECIFICATIONS

Moisture removal *	l/24 h	10
Moisture removal **	l/24 h	4.8
Power consumption	kW	0.26
Mains voltage	V / Hz / Ph	220-240~ / 50 / 1
Amperage (nom.)	A	1.6
Air flow (nom.)	m3/h	90
For rooms up to ***	m3	40 - 60
Capacity water container	l	1.5
Operating range	oC	5 - 35
Sound power level ***	dB(A)	53
Fan speed		1 position
Control		manual electronic
Refrigerant		R-134A / 75 gr
Dimensions (w x d x h)	mm	310 x 243 x 400
Weight	kg	11.5
Compressor type		Reciprocating
Protection class	IP	XO
Guarantee	Years	2

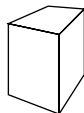

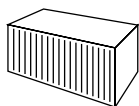

* Moisture removal at 32°C, 80% RH

** Moisture removal at 27 °C, 60% RH

*** To be used as indication

D 410 DEHUMIDIFIER

Permanent water drainage tube

Hygrometer

Digital display

FEATURES

Hygostat:

The humidity can be regulated via an adjustable hygostat.

Hygrometer and thermometer:

The unit is equipped with a hygrometer and a thermometer which indicates the relative humidity and the temperature in the room.

Permanent water drainage tube:

A 2 mtr flexible water drainage tube is delivered with the unit, this tube can be fitted to the unit for continuous water discharge. If done correctly it will prevent the need for emptying the water container.

Large size water tank:

For ease of use for the end-user this dehumidifier has a capacity of watertank of 2 liters.

Removable water container:

The water container can easily be removed from the back of the unit.

Automatic switch off:

When the water container is full the dehumidifier will automatically switch off and an acoustic alarm signal is produced.

Auto restart function:

After power failure the dehumidifier will remember the mode and setting it was running at before the power interruption. This function is also very well suitable to controlling the on/off of the unit remote with a (non inclusive) SMS-switch.

Electronic display:

The unit is equipped with an electronic display (LCD).

Convenience easy to move:

The unit is equipped with top handle at the top back of the unit and front handle at the bottom of the unit.

Compressor:

The dehumidifier has a silent reciprocating compressor.

Defrost function:

The unit is equipped with an intelligent defrost system for use in lower temperatures.

Full colour box:

The unit is delivered in a stylish full colour box showing application and operation information in multiple languages.
