HOME MADE CLIMATES

WDZ 530 WET AND DRY VACUUM CLEANER

Usability

HEPA filter

Blower function

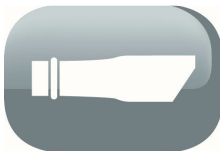

Big tank

Wheels

XL powercord

Various nozzles

Features

Use

The WDZ Wet and Dry vacuum cleaner is usable for all cool dust. It is the best suitable product to clean the dust from your floor, the car, the BBQ, wood stoves, pellet stoves, animal cages (rabbits, guinea pigs etc). This handy appliance can vacuum liters of (dirty) water from your floor. It is an outcome for every household!

Long Reach

With its 9,1 meter long reach this vacuum cleaner provides you maximum flexibility. Due to the extreme long reach the replugging of the power cord is restricted to the absolute minimum!

Strong

1500W and 21 kPa vacuum: this combination ensures that all the dirt and dust is cleaned with the highest possible effect. It is that easy.

XL powercord

This cleaner has an extra long powercord; handy for cleaning.

Telescopic metal tube

This ergonomically designed metal tube can be slid inwards and outwards between 595 - 900 mm. And because of this very long extendability it will be easy to work with, even for tall people.

Synchronized Electrical Power socket

The WDZ530 is provided with an synchronized power socket. Simply plug in your grinder into this socket and the grinder can be on/off controlled by the WDZ power button. The maximum capacity of the extra Electrical socket is a huge 1800 W!

Blower function

For cleaning the bbq or stove there is a handy blower function.

Big tank

You don't want to empty the tank everytime. So this vacuum cleaner has a big tank of 30 liter.

Drainage function

A big tank is nice. But how to empty 30 liters of water from the tank? Well simply unscrew the drainage plug provided! No hard lifting required.

Wheels

The wheels make the WDZ extra mobile

2 filter stages including HEPA filter

The WDZ vacuum cleaner contains a pre filter and a HEPA filter. These filter are washable. The HEPA filter makes sure also the smallest particles of dust are filtrated.

Round brush Nozzle

This brush makes is easy and safe to clean vulnerable surfaces such as cupboards and desks

Floor nozzle

Equipped with switch for hard floor and soft (carpet) floor

Thought of everything

Wide range of accessories, drainage function, blowing function, wheels, long reach...Qlima managed to think of it all providing you with the best value for money
